### The logic of party violence

**Ursula Daxecker**

University of Amsterdam

#### Chairs

Juan Masullo & Andrea Ruggeri

University of Milan

**16 October 2025**

h. 15:00

Room B - NASP Graduate School

University of Milan

Via Pace, 10 – Milan

...

Ursula Daxecker is professor at the University of Amsterdam, and she researches how democracy is weakened by political violence, extremist party strategies, and organized crime. Her work highlights how extreme identity politics and hostile rhetoric erode democratic systems. She leads the ERC-funded project Elections, Violence, and Parties (2020-2025) and co-directs the Amsterdam Center for Conflict Studies.
