## WORK EXPERIENCE

**09/2019 - 08/2020** - Milan, Italy

### English Teacher

CFTA Milano

CFTA is an organization which offers free courses to unemployed individuals across multiple schools in Italy. I taught here full time, ultimately with a contract, through February 2020. In order to focus more on preparing for my next step in my education, I took reduced hours from February until August of 2020. Class sizes varied from 10-25, and I taught all levels from beginner, to advanced business English. As a result of the COVID-19 Pandemic, I also gained valuable experience in managing online classrooms at all levels.

**08/2019 - 09/2019** - Milan, Italy

### Mediation Assistant

Equilibrium Alternate Dispute Resolution

I worked under Francesca Francese, an attorney and professional mediator, assisting her with strategy briefs on the Singapore Convention on Mediation and mediation sessions. I also edited and translated multiple speeches from Italian, most notably a speech Ms. Francese presented at a joint session with the University of Moscow on Russian-Italian mediation cooperation. I also assisted directly with a mediation, which was conducted entirely in Italian.

**06/2015 - 09/2015** - Monroe, United States

### Corporate Legal Assistant

Progressive Bank

I assisted Kyle Moore (corporate counsel) in vendor management by organizing and interpreting legal contracts between the bank and its service providers. These contracts varied from as simple as lawn service providers to highly technical financial service companies. I helped in creating a new

system of organization for the contracts and left the position having substantially improved their vendor management policies.

**05/2014 - 12/2014** - Baton Rouge/Monroe, United States

### Field Organizer

Louisiana Democratic Party

Job duties entailed seeking out and organizing groups of political volunteers to register voters, collect vote commitments, manage phone banks, facilitate door-to-door work, and mobilize voters in Ouachita and surrounding parishes for Senator Mary Landrieu in a full-time capacity. We were very successful in the parish for Democrats in a conservative district, garnering roughly 44% of Ouachita Parish's vote.

**05/2013 - 08/2013** - Alexandria, United States

### Runner

Bolen, Parker, Brenner, Lee, & Engelsman

My first job that didn't involve food preparation. I made visits to courthouses delivering and procuring documents for the daily maintenance of the firm in addition to standard secretarial and other office related work.

### ● **President ULM College Democrats**

As President of the College Democrats at ULM, I gained invaluable experience at all levels. I worked with registering voters, doing voter canvasses, and organizing a host of events at the University to supplement party activity. I also was fortunate enough to address the annual Jefferson Jackson Dinner in New Orleans (previous distinguished speakers including former President Bill Clinton) as the representative of all college democrats in Louisiana. The details of the event are included in the link below.

### ● **President ULM Mock Trial Organization**

During my undergraduate education, I was President of the Mock Trial Organization from my second year through my fourth. Under my leadership, the mock trial organization went from one team of 6 students, to three teams with over 30 participants. In addition, we won a host of accolades throughout the 3 years all across the United States.

### ● **President Pi Kappa Alpha Political Science Honors Society**

This leadership role was more symbolic, though some organizational leadership was required in the admission of awards and other accolades as President of this honors society dedicated to excellence in political science scholarship.

### ● **Captain Pineville High School Speech and Debate Team**

My leadership training started quite young. From the age of 14 to 18, I was captain of a speech and debate team which won a host of accolades. This represented a foundation building in skills which I use to this day in team management.
