WORK EXPERIENCE

Master Program Office

Bocconi School of Management - from February 2022 to September 2022

I've been responsible for a wide range of activities: from international guest assistance to back office responsibilities. As a PO I had the opportunity to enhance my organisational capabilities and soft skills like adaptability, crisis management, and team work, help and assistance, and so on.,

Student Tutor

University of Milan - from January 2021 to July 2021

Under the request of my head of study, I've been a student tutor in my academic course. The main tasks were: to support various activities of visiting professors, like organization of the courses and teachings; and student tutoring. I had to help new students in the creation of their study program.

On-campus student work

University of Milan - from November 2020 to February 2021
University's Master Office clerk. I have started with simple tasks like data elaboration, updating of the university's website, and preparation for post-graduate Open days. Since I have been a fast learner, and I finished my duties beforehand, I had also to create official documents like Rector's decree.

HOBBIES

I have a couple of hobbies. I love to read, especially scientific journals and academic books. Moreover, one of my most favorite activities is to travel. Thanks to the academic scholarships I have earned during my studies, I had the opportunity to visit many European destinations. Lastly, I am really into arts. Music, Sculpture, painting, whenever I am free, I go visit museums and listen to music.
