EDUCATION

A.Y. 2023/2024 - Ongoing - ***PhD Student in Sociology and Methodology of Social Research - Network for the Advancement of Social and Political studies, University of Milan – University of Turin***

Research interest: social policy, local welfare, poverty, social exclusion

A.Y. 2019/2020 - 2020/2021 - ***Master's Degree in Management of Organizations and Territorial Networks, Sociology and Social Research (120 ECTS) - University of Trento***

Research thesis carried out in collaboration with INPS and Caritas Italia within the framework of the TALETE program. The thesis encompassed a nationwide analysis and the selection of local case studies related to the implementation of the "INPS per tutti" project. The chosen methodology was qualitative, and data triangulation was achieved through in-depth interviews, participant observation and document analysis.

A.Y. 2015/2016 - 2018/2019 - ***Bachelor's degree in International Studies, Political Science and International Relations (180 ECTS) - University of Trento***

Research thesis conducted in collaboration with the Trentino Federation of Pro Loco as part of the civil service project. The final paper entailed an analysis of the Trentino Pro Loco phenomenon using a quantitative approach, primarily based on the analysis of data collected through questionnaires.

OTHER ADVANCED COURSES

01/2022 - 12/2023 - ***School of Innovation - University of Trento***

[Sol](#) is an interdepartmental initiative with a focus on social and business innovation, entrepreneurship, and innovative education. Its objective is to cultivate entrepreneurial skills, including proficiency in data analysis, economic principles, innovation management, and business analytics, among a carefully selected group of students.
