EDUCATION & TRAINING

Peking University [Beijing, China]

Stata Training Course [Aug. 2023]

- Completed an 18-credit path, acquiring foundational skills in data processing, statistical testing, and regression modeling.

University of Manchester

[Manchester, UK]

MA Sociology

[Sep. 2021 – Sep. 2022]

- Classification: Distinction
- Thesis: Explored the link between young men's perceptions of Chinese masculinity and the emergence of 'declining' masculinity among male adolescents.

University of California, Davis

[Davis, USA]

Global Study Program

[Sep. 2020 – Jun. 2021]

- Awarded Student Spotlight at UC Davis

Shandong University of Technology

[Shandong, China]

BA in Social Work

[Sep. 2017 – Jun. 2021]

- Selected Awards: Scholarships for Academic Achievement
- Thesis: Researched the emergence and functioning of the undesirable pickup artist (PUA) phenomenon in China, employing Mead's self-theory as the foundational framework.

RESEARCH EXPERIENCE (IN PROGRESS)

Gender images in China: 'Declining' Masculinity (Working Title)

- Building on my MA thesis, this paper further investigates how changing gender images in contemporary China shape perceptions of masculinity, with a particular focus on the social and cultural factors contributing to the concept of 'declining' masculinity among young men.

Research Paper on Chinese Gay Men's Use of Dating Apps and the Concept of 'Space'

- A collaborative research project exploring the intersection between Chinese gay men's use of dating apps and their experiences with and perceptions of 'space' in both virtual and physical environments.

EXTRACURRICULAR ACTIVITIES

Research on Joint Development of Villages and Vineyards

[Tai'an, China]

Group Member

[Jul. 2019 – Aug. 2019]

- The study explored the mutual benefits of vineyards and villages, focusing on how vineyards contribute to the socioeconomic development of rural areas while advancing their own growth.

Research at Yingchunyuan Community

[Zibo, China]

Team Leader

[Feb. 2019 – Jul. 2019]

- Engaged with the neighborhood committee to gain insights into Yingchunyuan community dynamics, conducting resident interviews to assess their needs and feedback on community initiatives.

Research at Zhangdian District Civil Affairs Bureau

[Zibo, China]

Team Leader

[Feb. 2019 – Jul. 2019]

- Conducted interviews with staff at the Civil Affairs Bureau to gain in-depth understanding of policies related to marriage, divorce, and child adoption.

Volunteering (Communication, Project Management, and Community Engagement)

[Nov. 2018 – Oct. 2019]

- Taught senior citizens to use mobile phone software at an elderly activity center in Zhangdian District.
- Visited Handou Jiayuan, an institution for autistic individuals, and gained insights into its development.
- Explored social work project planning at Zibo Rainbow Public Welfare Development Centre.
- Visited Qingdao Social Welfare Home (Blue Sky Home) to understand adoption dynamics among children.
- Attended a training class for social organization workers by the Zibo City Municipal Civil Affairs Bureau to learn about non-profit social organization operations.
- Volunteered for Qingdao Adoption Day: transported adopted animals, explained adoption conditions and procedures, managed and cared for animals, and maintained site order.
