PROFESSIONAL PROFILE

Sociologist specialised in gender and migration, with over a decade of experience across academia, non-profits, and activist networks in Italy, the UK, and Morocco. My work bridges research and practice, focusing on feminist methodologies and the everyday experiences of marginalised communities.

Skilled in qualitative and participatory research, project coordination, advocacy, and public engagement. Adept at building partnerships, facilitating community workshops, and managing multi-stakeholder initiatives aimed at social justice, inclusion, and gender equality. Passionate about equitable cities, care ethics, and the transformative power of feminist research.
