RESEARCH INTERESTS AND EXPERIENCES

My area of particular interest and study is child migration, second generations and ICT, analyzing migrant youngsters' experiences and investigating the structure, dynamic and symbolic meaning of these migration processes to Italy. My fieldwork in recent years has focussed on the use of ICT (in particular web 2.0, social network sites) by second generations and their associations. I'm also interested in the interreligious dialogue.

Ongoing research

Junior Researcher in the project "Amministrare l'Immigrazione", research coordinated by Dr. Ferruccio Pastore, FIERI.

Past researches

2010 Junior researcher in the project "Web 2.0 Generation 2.0. Natives and migrants, inside and outside the net", Tutor Dr. Tiziana Caponio.

Junior Researcher in the project "Equal Respect and Tolerance in a Culturally Diverse Europe. Case study: San Salvario", research coordinated by Prof. Galeotti.

"Synthesis of the Portugal National report" realized for European Migration Network

Research assistant within the project Alfieri "Adozione internazionale: percorsi e processi di integrazione in Italia e in Piemonte" [International adoption: integration strategies and processes in Italy and Piedmont], research coordinated by Prof. Corbetta

2009 Junior researcher in the project "State of the art of research in the EU on the uptake and use of ICT by immigrants and Ethnic minorities", project presented by FIERI on the occasion

of a Tender at the European Commission's, Joint Research Centre, IPTS (Institute for Prospective Technological Studies) and coordinated by Dr. Cingolani.

Research assistant in the project "Formazione alla cittadinanza per stranieri residenti in Italia" [Citizenship education for migrants resident in Italy], research coordinated by Dr. Roberta Ricucci

Research assistant in the project "Med – Governance", on the governance in the Mediterranean Area, research coordinated by Dr. Roberta Ricucci

Research assistant in the project "CLIP – Cities for Local Integration Policies", research coordinated by Prof. G. Zincone.

Research assistant in the project "MIDDAS (Migration and Development in Senegal: an empirical analysis using matched data on Senegalese migrants and their origin households)", research coordinated by Dr. Castagnone
