EXTRACURRICULAR ACTIVITIES

- **Student Representative at the Department of Economics** 2022 - July 2025
I was elected student representative for the Department of Economics in the 2022 and 2024 students elections and this has enabled me to know in deep the functioning of the academic environment.
- **Student Representative at the QA Board of UniMi** 2022 - 2024
The Quality Assurance Board is responsible for designing, drafting and implementing the quality policies of the University of Milan. I was the only student representative inside the Board and I have advocated for the whole community, thanks to many stimuli coming from different cohorts of students: Bachelor, Masters and PhD.
- **High School Student Representative** 2017 - 2019
I have been a student representative for the last three years of my Scientific High School.
- **Volunteer for LegaCoop Housing** 2024 - Current
I occasionally help LegaCoop Housing Division in their goal to reach and promote themselves and their affordable housing projects with younger generations. This work involves stakeholder meetings, conference participation as well as content creation for the media.
- **Volunteer for ReCup** 2025 - Current
I occasionally participate to Recup actions in order to fight against food waste in the local markets around Milan.
- **Volunteer for Abitare Società Cooperativa** 2025 - Current
I volunteer for a housing cooperative in Milan in order to help them in the organizations of social activities and helping both older as well as younger inhabitants in their needs.
