## Challenges in the Study of the Consequences of Civil War

**Ana Arjona**

Northwestern University

Chairs

Juan Masullo & Andrea Ruggeri

University of Milan

**1 December 2025**

h. 12:30 | Room B  
NASP Graduate School  
Via Pace, 10 – Milan

Ana Arjona is an Associate Professor in the Political Science Department at Northwestern University. She is also Co-Editor-in-Chief of the journal *Perspectives on Politics* and Founding Director of REDESDAL (Network of Studies on Drugs in Latin America). Her research focuses on the interplay between violence, governance, and individual behavior, exploring how institutions and individual choice change in violent settings, and how these dynamics continue to influence politics and development after the violence ends.
