The following tables present information on NASP common teaching activities as well as Ph.D. specific activities for A. Y. 2022-2023.

Please remember that the **schedule and location of Ph.D. classes may change**. Moreover, NASP offers to its students several other training activities like one-time seminars and workshops. For these reasons, we recommend to **check regularly NASP complete calendar** where you can find most up-to-date information and full timetables for all NASP activities.

You may consult NASP complete calendar at:

<http://www.nasp.eu/complete-calendar.html>

ENROLMENT IN COURSES PRESENT IN THE UNIMI CATALOGUE OF DOCTORAL COURSES

Students must enrol in each course they have, or want, to attend, using the Catalogue of PhD courses of the University of Milan (<https://www.unimi.it/en/education/postgraduate-programmes/doctoral-programmes-phd/phd-courses-list>).

For information on how to use the Catalogue check out also the **NASP guide on how to enroll**, which can be downloaded in the section “Student Resources” in the NASP website home page ([https://www.nasp.eu/images/Guide to Unimi Catalogue of doctoral courses 06.10.20 c.pdf](https://www.nasp.eu/images/Guide%20to%20Unimi%20Catalogue%20of%20doctoral%20courses%2006.10.20%20c.pdf))

Courses that are not present in the Catalogue do not require any enrolment.

STUDENTS' EVALUATION OF NASP COURSES

NASP is greatly interested in improving the quality of teaching. To this purpose, at the end of each course, students are requested to fill in an **online questionnaire** in order to assess it. More information can be found at:
