The following tables present full information on NASP common teaching activities as well as Ph.D. specific activities for A. Y. 2020-2021.

Please remember that the schedule and location of Ph.D. classes may change. Moreover, NASP offers to its students several other training activities like one-time seminars and workshops. For these reasons, we recommend to check regularly NASP complete calendar where you can find most up to date information and full timetables for all NASP activities.

You may consult NASP complete calendar at:

<http://www.nasp.eu/complete-calendar.html>

NB. Students must enrol in each course they have, or want, to attend, using the Catalogue of PhD courses of the University of Milan (<https://www.unimi.it/en/education/postgraduate-programmes/doctoral-programmes-phd/phd-courses-list>).

NASP is greatly interested in improving the quality of teaching. To this purpose, at the end of each course, students are requested to fill in an online questionnaire in order to evaluate it. More information can be found at:
